Navi Mumbai

OBJECTIVE

I'm pursuing a final year B.E. in Electronics and Computer Science, with a strong foundation in cybersecurity principles and practices. Seeking an opportunity to apply and expand my knowledge, gain hands-on experience, and contribute to the security and integrity of information systems. Committed to staying updated with the latest cybersecurity trends and technologies, and eager to collaborate with experienced professionals to protect digital assets and mitigate security risks.

EDUCATION

B.E / BTech in Electronics and Computer Science

SIES Graduate School of Technology - University of Mumbai

2022 - Present | Nerul

GPA

8 / 10

Diploma in Electronics and Telecommunication - 81.71%

Fr.Agnel Polytechnic

08/2019 - 06/2022 | Vashi

SSC

Modern School

06/2009 - 05/2019 | Vashi

ACADEMY PROJECTS

Intrusion Detection System using Machine Learning

An IDS project utilizing machine learning for cybersecurity.

- Developed an Intrusion Detection System using Machine Learning to detect unauthorized access attempts.
- Demonstrated expertise in data cleaning, feature extraction, and model evaluation.
- Reinforced knowledge on cybersecurity precautions and machine learning applications in practical security systems.

Tool Eka

Web application security enhancement tool developed in Python.

- Created TOOL EKA, a web-based Python tool focusing on enhancing web application security.
- Implemented features such as directory brute-forcing, port scanning, and XSS vulnerability scanning.
- Conducted research with a team of four, yielding insights into proactive cybersecurity measures.

SKILLS

HTML	CSS	Python	Bash
Linux	Burpsuite	Metasploit	
Nmap	Wireshark	Zaproxy	VAPT

INTERNSHIP

Cybersecurity Analyst Job Simulation

Tata Group

Cybersecurity Analyst Job Simulation - virtual internship

KEY ACHIEVEMENTS

SIH 2024 Finalist

Finalist in SIH 2024 as part of the Trouble29 team and Nodal Center from IIT Jammu.

CERTIFICATIONS

EC Council - Ethical Hacking Essentials

Encrypticsecurity - Web Penetration Testing

Encrypticsecurity - Mobile Penetration Testing

Deloitte (Australia) - Cyber Job Simulation
