

# MRUNAL SURVE

## JR. SECURITY ANALYST

+91 7798313762

Pune, 411027

mrunal2803@gmail.com

## ABOUT ME

Motivated & detail-oriented Cyber Security student with a strong foundation in network security, incident response, vulnerability assessment, and risk management. Proficient in implementing and monitoring security measures to protect digital assets. Skilled in analyzing and responding to security incidents using SIEM tools and threat detection frameworks. Currently advancing my knowledge in SOC operations and incident handling.

## EDUCATION

2021-2024

**Indira College of Commerce & Science**

Bachelor of Science in Cybersecurity  
7.9 CGPA

2019-2021

**Fattechand Jain Vidyalaya**

HSC - 75%

2021

**Vidya Niketan Eng. Med. School**

SSC - 76%

## EXPERIENCE

**Internship**

Newton's Apple

**Jr. Security Analyst**

Set up and deployed the Wazuh SIEM tool for monitoring of real-time threat-detection and advanced log analysis.

Have worked on efficient rule configurations for critical security events and to detect IOCs.

Recently focused on some lab set-ups of the automation tools for incident response like Hive & Shuffle.
