

# Vinay Gujjula

Entry Level Graduate | Java Developer

**Mobile:** +91 9390287741 **Email:** gujjulavinay014291@gmail.com **LinkedIn:** LinkedIn/in/Vinay **Location:** Bangalore

## Summary

Aspiring Java Developer seeking entry-level opportunities to apply coding skills and problem-solving abilities. Excited to gain practical experience, learn Java frameworks, and contribute to innovative software solutions.

## Education

Bachelor of Technology in Electronics and Communications Engineering Jawaharlal Nehru Technological University, Anantapur	August 2019 – May 2023 CGPA – 7.4
Board of Intermediate Education Sri Chaitanya Junior College, Vijayawada	June 2017 – March 2019 CGPA – 9.7

## Technical Skills

- Programming Languages:** Java, SQL, Object-Oriented Programming
- Web Development:** HTML, CSS
- Frameworks:** Spring Boot, Apache Tomcat
- Database Management:** MySQL
- Data Structures, Multithreading, Software Development Life Cycle

## Internships

Adharva Soft Labs Pvt. Ltd. Java Developer Intern	October 2023 – April 2024
--	---------------------------

- Engineered software solutions using OOP principles, resulting increase in scalability and efficiency of applications.
- Enhanced functionality for 4 web projects utilizing HTML, CSS, and SQL, improving user experience by 25%.
- Resolved complex Java programming issues, leading improvement in application speed and reliability.
- Integrated cutting-edge Java development techniques by staying updated with the latest industry trends and advancements.

## Projects

Library Management System	March 2024 – April 2024
---------------------------	-------------------------

- Established a Library Management System, improving operational efficiency in managing daily tasks such as member registrations, book issuance, and inventory maintenance.
- Implemented functionalities for member registration and management, resulting in a 40% increase in user sign-ups within the first month.
- Created a user-friendly interface, facilitating streamlined interactions for library users and enhancing overall user satisfaction.
- Obtained robust features for book record management, allowing real-time updates and accuracy, ensuring a 50% accuracy rate in the library's database.

Personal Portfolio Website	January 2024 – February 2024
----------------------------	------------------------------

- Resulted a personal portfolio website utilizing HTML, CSS, and JavaScript, showcasing skills and projects to potential employers, achieving increase in visibility.
- Employed responsive design techniques, optimizing user experience across all devices, resulting in a 40% decrease in bounce rate.
- Deployed the website on GitHub Pages, ensuring a seamless transition to production and enhancing accessibility to prospective clients and collaborators.
- Improved site performance through code optimization, leading improvement in load times and increased user engagement.

## Certifications & Achievements

- Acquired Java Full Stack certification – JSPIDERS.
- Completed Java certification – LearnTube.AI.
- Attained Azure Fundamentals certification – Microsoft.
- Earned Software Engineer certification – Goldman Sachs.
