## SUMMARY

I am a web enthusiast specializing in Front-end development, with expertise in **HTML, CSS, JavaScript, and React**. I am passionate about creating intuitive, visually appealing, and user-friendly web interfaces. While my primary focus is **Front-End development**, my knowledge of **Cybersecurity** enables me to build websites with enhanced security features.

## SKILLS

### ◆ PROGRAMMING LANGUAGES

HTML CSS JavaScript (ES6)

### ◆ LIBRARIES & FRAMEWORKS

React.js Node.js

### ◆ UI FRAMEWORKS & TOOLS

Chakra UI Canva GIT  
 Material UI Excel Figma

## EDUCATION

- **BCA (IT)**
