 - Gained experience in database management.

Education

- Manipal University (Online Distance Learning)**
Master Of Computer Application
(2024-Present)
- Tecnia Institute of Advanced studies/GGSIPU**
Bachelors Of Computer Application
86.03%
- Goodley public school** 2019
High School

Skills

- Microsoft office
- Advance Excel
- Python
- Threat hunting
- Network security
- Analyzing Ability
- Decision making
- Critical Thinking
- Problem Solving
- Writing and verbal communication

Projects

- **Banking Application System**
 - MODULES USED IN PROJECT
 - Developed a banking application system using programming languages such as Angular, HTML and CSS, Mysql
 - Built both front-end and back-end components to handle account management and transactions securely
 - Project (GitHub) link: <https://github.com/manavkhanna63/Banking-management-system-final-project.manavkhanna>.

Certifications

- Ethical Hacking (Udemy) --[Gained hands-on experience in penetration testing, vulnerability assessment, and network security.] ---[Learned key cybersecurity concepts, including ethical hacking methodologies, reconnaissance, and exploit techniques.] --[Developed skills in using industry-standard tools like Wireshark, and Nmap.] --[Trained in securing systems, detecting threats, and mitigating cyber risks.]
- Advanced Excel from Udemy --[Learned advanced formulas like VLOOKUP, INDEX, and MATCH, Applied conditional formatting to highlight important data].
- Digital marketing from Apron --[Learned basic digital marketing strategies to grow an online presence, Learned how to improve website visibility with SEO (search engine optimization)].
- 37th national conference on computing information, network and security. --[Gained insights into the latest trends in computing, network security, and information management, Learned practical techniques for securing networks and protecting sensitive data].

Software Experience

- Splunk
- Visual studio
- IDE Eclipse
- MySQL

Languages

- English
- Hindi

Goals

- Preparing for CompTIA Security + Exam
- Cisco (CCNA,CCNP)
