TECHNICAL SKILLS

- **Familiarity in Programming Languages:** Python, Java, HTML, CSS, JavaScript.
- **Cybersecurity Tools & Concepts:** Wireshark, SIEM, IDS/IPS, Firewalls, Vulnerability Assessment, Log Analysis
- **Networking & Security:** TCP/IP, Network Security, Threat Hunting, Incident Response
- **Database Management:** MySQL
- **Operating Systems:** Windows, Linux
- **Certifications:** CISCO Networking Essentials, CISSP, EC-Council SQL Course, IoT Security, DevOps Security

EDUCATIONAL QUALIFICATIONS

Qualification	Institute	University/Board	Year	CGPA/Percentage
BE (Cyber Security)	Shah & Anchor Kuttchi Engineering College, Mumbai	Mumbai University	2024	8.59
HSC	Chandrabhan Sharma College, Powai	Maharashtra State Board	2020	63%
SSC	National Education Society High School, Mumbai	Maharashtra State Board	2018	88%

HANDS-ON EXPERIENCE

FINTER - A File Integrity Monitoring Tool (2024)

- Developed FINTER, an open-source file integrity monitoring tool, in collaboration with cybersecurity expert Nikhil Mahadeshwar (CEO of Cyber Secured India).
- Engineered and refined algorithms for event detection and file selection to enhance security monitoring.
- Conducted rigorous testing to ensure robust functionality and system stability.

BRUTEWARE - Secure Web Platform (2023)

- Designed a web security platform incorporating robust encryption techniques to mitigate cybersecurity threats.
 - Implemented secure authentication mechanisms and advanced security protocols for enhanced user protection.
-

CERTIFICATIONS

- **CISCO Networking Essentials**
 - **Certified Information Systems Security Professional (CISSP)**
 - **EC-Council SQL Injection Attacks**
 - **IoT Fundamentals: IoT Security**
 - **DevOps Security**
-

PROJECT PRESENTATIONS & AWARDS

- Presented **FINTER** at **EWPPC-2024**, organized at Thakur College of Engineering & Technology (Feb 23-24, 2024).
-

PERSONAL ATTRIBUTES

- Strong analytical and problem-solving skills
 - Excellent communication and interpersonal abilities
 - Quick learner with a passion for cybersecurity
 - Team player with a proactive approach to security threats
-

EXTRA-CURRICULAR ACTIVITIES

- Organizing community events (Ganesh Puja, Durga Puja, Christmas celebrations, etc.)
- Passionate about solving Rubik's cubes, reading, writing, and music
- Languages known: **English, Hindi, Marathi**
