EDUCATION

Master of Computer Applications
Uttarakhand Technical University

08/2023 - Present   *Dehradun,India*

Bachelor of Science
Kumaon University

07/2020 - 07/2023   *Nainital ,India*

Courses

- Voluntered in NCC and received 'C' certificate with alpha grade.

WORK EXPERIENCE

Cyber Security Intern
Matex Consultancy

06/2024 - 08/2024   *Remote*

Achievements/Tasks

- Vulnerability identification and hands on experience on vulnerabilities like authentication bypass, broken authentication failure to invalidate session on password change/logging out.
- Experience on vulnerabilities like pre-account takeovers, oauth misconfiguration, host header poisoning, no rate limit.
- Automated security testing using tools such as burp suite , nmap , nabbu.

COURSES

1. TATA Cybersecurity job simulation by Forage

2. Introduction to Cybersecurity course by CISCO.

3. Cybersecurity foundation course by Hactify.

SKILLS

Web Application Testing   Vulnerability Assessment
Network Security   Kali   Communication Skills

TOOLS

1. Metasploit

2. Burpsuite

3.Nessus

4. Kali

ACHIEVEMENTS

Reported following bugs on Bugcrowd.

1. Pre Account Takeover.

2. Oauth Misconfigurations.

3. Broken Authentication Failure to invalidate session on Password Change.

4. Failure to invalidate session on Logout.

5. Host Header Poisoning.

CERTIFICATIONS

1. Certified Ethical Hacker (CEH Practical)
 (03/2025 - 01/2026)
Certificate number: ECC9204351786
