<u>**Career Objectives:**</u>

To utilize my technical skills with a self-motivated and positive approach with an organization
that will help to improve my professional and personal growth.

<u>**Professional Summary:**</u>

Security Analysis, Security Monitoring, Security Incident Management and Incident Response.

✓ Familiar with SIEM Tools: Gained hands-on knowledge of monitoring real-time events and
performing security analysis using SIEM platforms like QRadar and Exabeam as part of coursework
and labs.

✓ Technical Knowledge: Acquired foundational knowledge in working with security technologies such
as Firewalls, IDS/IPS systems, and Antivirus software (e.g., McAfee AV) through academic training
and personal study.

✓ Log Analysis: Developed an understanding of analyzing logs from various network devices (e.g.,
routers, firewalls, IDS/IPS) and operating systems (e.g., Windows) to detect and troubleshoot
potential security issues.

✓ Incident Monitoring and Analysis: Familiar with performing second-level analysis on security
incidents and participating in real-time monitoring, investigation, and escalation of security events
from multiple log sources.

✓ Critical Thinking and Communication: Strong problem-solving and critical thinking skills, with an
ability to clearly communicate technical findings and solutions. Able to thrive in fast-paced
environments where precision and efficiency are essential.

✓ SIEM Event Monitoring: Gained experience monitoring network security events using SIEM tools
such as QRadar and learning to define use cases, create custom correlation rules, and generate
alerts tailored to network architecture.

✓ **SOC Experience:** Gained theoretical knowledge of how Security Operations Center(SOC) function,
including monitoring security events, detecting intrusion attempts, and preventing potential
threats.

✓ Understanding Evolving Threats: Continuously studied and kept up to date with the latest internet
security threats and trends to understand how to safeguard client networks effectively.

✓ Security Incident Escalation: Learned the process of escalating security incidents based on severity
and understanding the importance of providing actionable information and recommendations to
mitigate risks.

✓ Security Incident Management: Gained theoretical knowledge of determining the scope and impact of a security incident and learned the importance of documenting and reporting the findings and actions taken during incidents.

Internship:

Prodigy Info.tech

I successfully completed a 3-month internship in cybersecurity, where I gained hands-on experience in protecting systems and data from various threats. Throughout the internship, I assisted in conducting vulnerability assessments, analyzing security breaches, and supporting the development of security protocols. I also collaborated with the team to monitor and respond to potential cyber threats in real-time. This internship allowed me to enhance my technical skills and develop a deeper understanding of cybersecurity practices and strategies

Technical Skills:

✓ **Environment:** SOC (Security Operation Center)
✓ **Console:** SIEM (Security Information and Event Management)
✓ **SIEM Tool:** IBM QRadar , Exabeam , Splunk
✓ **Ticketing Tool:** Service Now(snow).
✓ **End Point Security(EDR):** Microsoft Defender
✓ **System Security:** Windows and Linux servers

Firewall, IDS/IPS, Phishing Email Analysis, SPAM and DLP.

Phishing Email Analysis, Palo Alto, & Digital Garden (USB and Print Logs)

Create, Modify and Update Security Information Event Management (SIEM) Tools.

Certifications:

➢ AZ-900
➢ AI-900
➢ SC-900

Educational Qualification:

Degree	University	Institution	Year of passing	CGPA/Percentage
B- Tech (CSE)	JNTUH	Sai Spurthi Institute of Technology (JNTUH)	2024	7.41 CGPA
Diploma (ECE)	SBTET	Sai Spurthi Institute of Technology (SBTET)	2021	91.8%
S.S.C	TSSSC	ZPHS	2018	8.3 CGPA

Personal Skills and Strengths:

- ✓ Good understanding of security threats and vulnerabilities
- ✓ Strong analytical and problem-solving skills
- ✓ Good verbal and written communication skills
- ✓ Self-driven and highly motivated
- ✓ Ability to work independently and in a team environment
